An opportunity to purchase a beautifully presented, four double bedroom detached house with a landscaped garden, parking and double garage, in the sought after Cornish seaside village of Praa Sands.

Situated in a sought after area in an "off the beaten track" location is this four bedroom, detached house. The residence, which benefits from both air source heat pump and LPG central heating systems, solar panels and double glazing, has been greatly enhanced by the current owners and enjoys views over open countryside and sea glimpses.

One enters the property on the first floor and, in brief, the accommodation comprises a galleried landing, utility room, shower room, lounge and, completing the first floor, a kitchen/diner. On the ground floor is a bathroom and four bedrooms, the master of which benefits from an en suite shower room.

To the outside is a beautifully maintained garden providing lawn areas, flower beds, plants and shrubs and many locations to sit back and enjoy the outlook towards open countryside. There is a greenhouse, barbecue area, useful shed, vegetable beds and an archway at the end of the garden frames the views towards open countryside. To the front is parking for a number of cars and a driveway leads to an integral garage.

Praa Sands is situated approximately midway between the towns of Helston and Penzance. It is famous for its long sandy beach and has a public house, restaurant and shops to cater for everyday needs. Close by is open countryside and both Helston and Penzance provide more comprehensive amenities including national stores, restaurants and leisure centres with indoor swimming pools. Penzance also benefits from mainline rail links to London Paddington from Penzance train station.
