Wake up to the sea every morning.....

Imagine waking up to views across Coverack Bay, wandering down to the harbour for a morning coffee, then coming home to your own peaceful hillside retreat.

This beautifully presented four bedroom detached home enjoys an elevated position overlooking one of Cornwall's most sought-after coastal villages, with wonderful views across the village, bay and out to sea.

Generous, beautifully appointed accommodation, mature gardens, a double garage and plenty of parking make this a home with space to settle into and make your own.

Currently run as a successful Airbnb, it also offers the flexibility to continue as a holiday letting opportunity, a second home or, perhaps most importantly, a place to put down roots and truly call home.

Beautifully presented, wonderfully positioned and with a lifestyle that would be hard to resist.

Coverack itself is a quintessential Cornish fishing village being situated on the Lizard Peninsula, which has been designated as an area of outstanding natural beauty. The cove itself has a lovely sandy beach which is a popular centre for water sports that include windsurfing, stand-up paddle boarding, sailing and diving. There is an attractive harbour from which a small fleet of traditional fishing boats operate and land their daily catch. There is a public house, restaurants, a shop selling local produce and a primary school. St Keverne village is a short drive away and has a number of shops, including a butcher's and doctors' surgery whilst comprehensive schooling can be found in the nearby village of Mullion. The bustling market town of Helston, which has more extensive amenities including national stores and supermarkets, is some eight miles distant.
