The property comes with specific live/work restrictions designed to maintain its artistic integrity. We are advised that the business use is confined to an artist or potter's studio only, and residential occupancy is limited to individuals primarily engaged in this business, along with certain dependents. Please note that retail sales are not permitted from the premises.

A cozy wood burner acts as a focal point for the room, providing warmth and ambiance. The living area is completed by a small kitchen, a modern shower room, and a practical mezzanine storage area, optimizing space and functionality.

Porthleven is a thriving seaside Cornish fishing village with its large harbour providing a focal point. Around this cluster many pubs, restaurants and businesses. The village provides amenities to cater for everyday needs as well as a primary school, whilst the more comprehensive amenities of Helston are a few miles distant and these include national stores, cinema and sports centre with indoor swimming pool.

Located between Helston and Porthleven is the beautiful Penrose Estate, managed by The National Trust, with its many walks and trails through the Cornish countryside around Loe Pool which is Cornwall's largest natural fresh water lake. Porthleven has a prize winning Brass Band which, on many a summer's Sunday evening, can be heard echoing around the village, creating atmosphere and ambience for both residents and visitors.
